PRODUCTS

- (Complete) NU Series
- (Complete) BETA Series

COLOR OPTIONS

- White
- Black
- Matte Chrome

ANTIMICROBIAL FEATURES

- Antimicrobial finish on all exposed painted surfaces.
- Microban® antimicrobial product protection helps to prevent odors, bacterial and fungal buildup on exposed painted surfaces.
- Antimicrobials actively extend the shelf life of coatings. The formulations also work to enhance the cleanliness and durability of coated surfaces, reducing maintenance costs and encouraging more sustainable consumer behaviors.
