

LIMITED WARRANTY

Subject to the exclusions set forth below, Ledra Brands, Inc, LLC (“Ledra Brands”) warrants its light emitting diode (LED) fixtures, including the LED arrays and the LED drivers and integral control devices (“Product(s)”) to be free from defect in material and workmanship (the “General Warranty”) for a period of five (5) years from the date of shipment from Ledra Brands facilities. This stated Warranty and exclusive remedy covers only Ledra Brands offering of LED products. Ledra Brands non-LED products utilizing traditional light sources such as low voltage halogen, compact fluorescent or HID are covered for one year from date of shipment.

This Warranty may not be transferred or assigned by the original end user. The repair or replacement of any Product(s) or component part within the Product(s) is the sole and exclusive remedy for failure of the Product(s) to comply with the terms of this Warranty and does not extend the Warranty period. Warranty claims regarding the Product(s) must be submitted in writing within (30) days of discovery of the defect or failure to an authorized Ledra Brands post-sales or customer service representative or Ledra Brands shall have no obligation to repair or replace such Product(s) or component part(s) may be required to be returned for inspection and verification of non-conformance by Ledra Brands, but no Product(s) or component part(s) will be accepted for inspection, verification or return unless accompanied by a "Return Materials Authorization" which can be obtained only from an authorized Ledra Brands post-sales or customer service representative. Ledra Brands will provide return labels for all returns issued for defective items still covered under the original warranty. Additionally, Ledra Brands will cover freight fees for shipping repaired items, still covered under warranty, back to the customer if it is determined that the failure was not caused by the user. If a defective item, covered under warranty, is returned for credit and upon testing it is found that the failure was caused by the user, the customer will be responsible for the freight fees associated with the original return label.
