Goof Ring

HOW TO ORDER A GOOF RING

DESCRIPTION:

Goof rings are the ultimate solution for professional and DIY lighting installations where ceiling cutouts are larger than anticipated. Designed to provide a seamless, polished appearance, goof rings are used with recessed downlights to cover oversized ceiling holes, concealing imperfections in ceiling cutouts and ensuring a clean and aesthetically pleasing finish.

KEY FEATURES:

- Engineered to accommodate various downlight sizes and hole diameters.
- Constructed from high-quality steel.
- Available in white and black.
- Lightweight and user-friendly, goof rings can be installed in minutes with no specialized tools required.

PRODUCTS IN DOWNLIGHT, ADJUSTABLE AND WALLWASH VERSIONS:

- NU3 Round
- NU3 Square
- NU4 Round
- NU4 Square
- NU6 Round
- NU6 Square

ORDERING INFORMATION:

Choose the appropriate range only if your ceiling cutout measurement falls within that range. Choose the ordering code corresponding to the range of ceiling cutout measurement. Complete the ordering code with adding "WH" or "BK" for finishes.
